Dear Colleague

Re: Wiltshire Council's Proud to Care Celebration Awards for frontline adult social care staff 2019

It is with great pleasure that I am writing to inform you that Wiltshire Council are holding a recognition award event in April 2019, and we are now seeking nominations from you for specific award categories, which can be seen in the attached document.

The awards will recognise good practice and performance, encourage sharing of success stories and allow us to pay tribute to the incredible work our local adult social care workforce do day in day out to help vulnerable people in our community.

Through our Proud to Care Wiltshire campaign, we will be working hard in 2019 to encourage people to consider careers in social care services; and to see a career in care as being a role that is highly valued and rewarding. We therefore want these awards to be part of our campaign to increase the profile of working in social care and an opportunity to pay tribute to some incredible people and the work they do. Please help us to make this event a success.

How to nominate

To nominate please complete the attached nomination form and email it with any supporting evidence (a maximum of 1 page of A4) to proudtocare@wiltshire.gov.uk

The closing date for nominations is Friday 25th January 2019.

Following the closing day, a judging panel, which will include local professionals and people who use services, will consider all nominations and the top two in each category will receive an invitation to attend an award ceremony which will be held on Thursday 4th April 2019, in Market Lavington Community Hall.
